Dear Sponsor/Donor:

Happy New Year to all of our Milford Athletic Boosters Club proud sponsors and donors. I do hope that each and every one of you had a joyous holiday season with family and friends. Now it is time to get back to work for many of us, and for me, that means "Flight Night". After another successful Flight Night last May with Pro Football Hall of Famer Dick LeBeau and Bengals legends Ken Anderson and David Fulcher, I am here again to announce the details for the 14<sup>th</sup> Annual Flight Night Gala. After three years of hosting the event in May due to covid and the pandemic, I am moving it back to the month of March.

It has been three years now since Flight Night had a baseball feel, and once again there is a buzz surrounding the Cincinnati Reds, so I thought it was time to take it back to the diamond. During years past, I have had the pleasure to bring to you Reds Legends Johnny Bench, Pete Rose, Joe Morgan and Marty Brennaman. So, who better to present this year than, not one, but two, members of the famed "Big Red Machine" that helped bring back-to-back World Series Championships to the city of Cincinnati back in 1975 & 1976. **This year, I am proud to announce that our featured guest speakers are Cincinnati Reds Hall of Famers, Tony Perez & Dave Concepcion.**

Nicknamed "The Big Dog" Tony Perez was the emotional leader of the Big Red Machine. His breakthrough year came in 1967, when Perez became the club's starting third baseman, and he enjoyed the first of his seven career 100-RBI seasons. Pérez's ability to drive in runs came to define his career. He averaged more than 100 RBI per season from 1970 to 1976. Pérez moved to first base in 1972, and by 1975 had emerged as the anchor of one of the most dominant teams in baseball history. The Reds of the 1970s won more games than any team in baseball. Their decade of dominance culminated in the back-to-back 1975 and 1976 championship seasons. Pérez was inducted into the Reds Hall of Fame in 1998 and became a member of the National Baseball Hall of Fame in 2000. His uniform #24 is one of only eleven uniform numbers retired by the Reds.

Concepcion's prowess at shortstop earned him five Gold Gloves and nine All-Star game appearances. He retired following the 1988 season, having played his entire career in a Reds uniform. He ranks second in Reds history in career games played and at-bats; third in hits, fourth in doubles, sixth in stolen bases and total bases, and seventh in runs scored. He and Barry Larkin share the franchise record with 19 seasons played in a Reds uniform. Davey was inducted into the Reds Hall of Fame in 2000, and his uniform #13 was retired by the club in 2007.

Unfortunately, the cost this year for our amazing guest speakers along with other expenses such as travel and lodging, has forced me to have a cost increase for Flight Night tickets, both V.I.P. and general admission. I do hope that everyone agrees that this is the best combination of guest speakers the Flight Night Gala has presented and that the price increase is worth every cent.

Ticket prices for the 14<sup>th</sup> Annual Flight Night gala will be \$180.00 for V.I.P. and \$60.00 for general admission. V.I.P. tickets will again, include a cocktail reception, photo opportunity with our guest speakers and a special autographed item from Tony Perez and Davey Concepcion.

If you or someone you know, would like to purchase tickets to the 14<sup>th</sup> Annual Milford Flight Night, please visit the Milford Athletic Boosters website at: [www.milfordathletics.org](http://www.milfordathletics.org)

We do hope to sell out, so we recommend confirming your sponsorship or purchasing your tickets as soon as possible.

To all loyal sponsors, donors and attendees of Flight Night, I want to say thank you again for your continued support. Flight Night has been, and will always be what it is, because of all of you.
