

December 7, 2022 – Milford Athletic Boosters Meeting

Penni Clemmons – not present
Laura Dominique
Stu Brown
Julie Klenk
Darragh Naylor – not present
Justin Bonnell – on telephone
Molly Shaluga –

Nicole Kittrell
Aaron Zupka

Start at 7:09 pm

Treasurer – Books went out this afternoon. Girls basketball made over \$4,000 in cookie dough sales. Concern over cost of items sold and pricing on concession sales. Gold Medal is more than a dollar per item (Candy Bars). Is there a cheaper supplier even if there is no delivery available? Got rid of quarters at point of sale so we have to look at amount of increase.

Baseball has ordered a few things.

Craft show was a success.

Secretary – No report.

VP Marketing – No new report. Flight Night is in process and working toward finding a date.

VP Concessions – No report

VP Tech – 20 days of giving is in place for robotics.

VP Justin – Craft Show: Fire department did have a few questions but apparently all is satisfied. Need to review issues in the future to make sure that all is okay as we do not want any fire related issues. Perhaps number of people in the building could be an issue. \$9,976 in admissions, \$5,770 concessions, \$13,255 for same day booth renewal, \$4,710 for payment of booths due. Shuttles were the biggest complaint. Four shuttles would be best, this year we had two. Shoppers bringing strollers continues to be an issue...need to determine a way to resolve how those enter and where they go. Need to review available space for next year's show due to construction. Construction may present new issues for fire department concerns so should review in advance.

Athletic Director –

Bowling team moved into Pin Deck. All going well there. Management working well with us. Will be able to accommodate full schedule in next year or so.

Girls Wrestling – getting started and growing well.

Boys Volleyball – now an OHSAA sanctioned sport

Girls Basketball – reunion of state final four team is coming soon. YouTube link to video of that game. Great for our girls team to see. Girls going to Milan, Indiana to play Harrison in the Hoosiers Gym.

Boys Basketball – playing at Xavier in a Beacon Classic. They play Sycamore.

Winter is going very well.

Possible development of a Milford Sports Alumni Foundation.

Adjourned at 8:02 pm.
