Molly Shaluga

Not present:

Justin Bonnell
Penni Clemmons
Julie Klenk

Others attending:

Jennifer Stitt
Nicole Kittrell
Carla Rawlins
Stacey Hargrave
Henke
Kim & Craig Rees

Begin at: 7:04 pm

Financial report sent out. Teams in the red: Girls Cross Country in Red due to camp expenditure. With August deposits all will be settled. We are currently holding some scoreboard money. Received first check from Beacon sponsorship. Money moved from Fund the Flock to support the sports that received those funds.

We are switching banks so outstanding checks need to be cashed. Darrah has reviewed the outstanding checks and let people holding checks know – to the best of ability – to cash checks. Old credit cards collected and destroyed.

VP Concessions – Still very much in flux because of no certainty as to electrical connections, etc. Soccer will have normal concessions.

Flight Night: Still a few things to be paid or deposited but mostly clear.

VP TECH (M. Shaluga) – working with Hometown tickets and other typical issues for this time of year.

Secretary – No report.

Athletic Director – 6 new varsity coaches:

- A) Water polo – Kate Schaeffer (girls) and Nick Haller (boys)
- B) Wrestling – Tom Wynn
- C) Bowling – Rob Ruud
- D) Dance – Kennedy Faels
- E) Girls Lacrosse - Becca McLouth

Two new trainers that just started. Ashley Costa and Christy Montifari – both with Beacon / Tri-Health. A third trainer is in the works. Dr. Brian Krellin is new team doctor.

Construction is booming. Blocks going down and roads being made. Football games coming up soon for Fridays but no power set yet.

Volleyball is going to run a trolley to assist people getting to the football games.

Golf has started their season.

Weight room equipment ordered. Likely will be delivered and installed in October.

GUESTS:

Volleyball – concessions needed and scrimmage coming up. Logistics discussed. On nights when Water Polo is at home and Volleyball is at home there is a need for more pizza and other supplies.

Cross Country - Tim and Joe wanted to ask for 75 cross country shirts for high school and junior high. A donation has been received to support this but no final quote on cost presented yet.

NEW BUSINESS:

Hall of Fame Board for names of inductees. Joint effort between printer and wood provider. All should work well.

Other issues addressed:

None

Adjourn at 7:37 pm.
