Treasurer report

Starting a new season, everyone is in the black! Yayyy!

Emails to all clubs with their starting balance what their roll over and fund the flock, if there was a balance. It was donated for purchases so USE IT!!!

Electronic payments can be used this year, we are encouraging any purchases to go on hometown ticketing and venmo. 10 reps from diff clubs were at the meeting to explain how that went.

Season passes are on hometown ticketing - \$3000 in July and almost up to 10k up to date. No cash accepted at the gates.

Mercy deposit came in.

Concessions

Everything will be ready at first real game.

Struggle is going to be keeping stock with everyone at the stadium.

Bryan

Scoreboard – never billed the top bills. How many people are paying?

Dunkin, Smithson, need new.

We are going to replace some – Park National bank doesn't have a location in Milford anymore. Need to let Aaron know if there are any openings. 3 at the top and others below. Chickfila – probably be back. Need to check with Todd with Marcos.

Bryan to work with Aaron.

Want to replace the soccer board so maybe not re-up the advertising.

Flight Night

Rough estimate, less the bourbon tasting, is around \$40k. Community came up and helped us.

3 baseballs were stolen... \$405.50. Were boxed up by Dan. And they were on the table. Motion to reimburse Todd for \$405.50. Motioned: Laura, 2nded by Darragh – 4 yes, majority, Todd abstained bc he can't vote.

Not sure if it will be March or May – trying to get Coach Holtz, 2nd choice would be Marvin Lewis.

Finishing up the VIP Photos – 2020 Eddie Merlots and try to get finished before our contact at Eddie Merlots leaves. Bourbon tasting being scheduled.

Motion to move \$90k to the capital fund – Motioned: Laura, Darragh seconded. Aye: 4. \$440k in Capital Fund now.

Justin (by Laura)
